

Peters Food Pantry Press Release

March 27, 2020

Peters Pantry operates under the auspices of The Greater Washington County Food Bank and usually distributes food and supplies at Peace Lutheran Church.

For the month of April, they are combining distributions for all of the 23 locations into 9 sites. This is a temporary solution due to the virus situation.

For residents from Peters Township, Finleyville and Canonsburg the distribution will be on Friday April 17th from 9 am -12 noon at the Canonsburg UP church at 112 West Pike Street, Canonsburg, PA 15317.

Distribution will be a Truck to Trunk drive-through process in the parking lot. We want to minimize physical contact. Please share this information with people who may need to use this service - guidelines are below and there is time to register prior to the event. Thank you.

Eligibility:

Who is eligible to get food from a food bank or food pantry?

PA Agriculture Secretary Russell Redding issued guidance for accessing emergency food assistance for Pennsylvanians at risk of hunger due to measures to slow the spread of COVID-19. If you are out of work without pay, you are eligible to receive food sourced from the state and federal government from a food bank or food pantry in Pennsylvania. This includes service workers who are unable to get shifts or hourly wage employees of non-essential businesses that have voluntarily closed due to COVID-19 mitigation.

You will need to complete an application for supplemental food assistance, and signatures have been temporarily waived due to COVID-19. You will be asked to provide your household size and weekly income level as of the day you apply. [Complete income guidelines](#) can be found at agriculture.pa.gov.

Please call (724) 632 - 2190 x 107 to verbally complete your Application for Supplemental Food Assistance, or complete online on our [sign-up page](#).
